

THE EAGLE FOLDS HER WINGS! Kansas the Banner State of the Union, With 25000 Majority for Grant,

Glorious News from Everywhere. We are All so Happy--Grant's Majority 350,000.

Special to the Wichita Eagle. St. Louis, Nov. 6-12 M .- The full returns give republican majorities in the following states: Pennsylvania. 90,000; New York, 40,000; Nebraska, 10,000; Alabama, 10,000; Michigan, 30,000; Connecticut, 4,400; Wisconsin, 20,000; Indiana, 12,000; Vermont, 31,-000; Iowa, 50,000; Maine, 27,000; Delsware, 2,000; Ohio, 20,000; Rhode Island, 7,000; Massachusetts, 65,000; Florida, 3,000; New Hampshire, 4,000; California, 4,500; Nevada, 1,000; South Carolina, a heavy majority: North Carolina, 5,000; New Jersey, 5,000; Kansas, 30,000; Illinois, 35,000; Cook county, 3,500.

Louisiana gives 12,000 democratic majority, with a large portion of the state yet to hear from, which will, in all probability, give Grant a majority. Grant's majority on the popular vote

is 350,000, and has, at last accounts, 300 electoral votes.

The states giving democratic majorities are: Maryland, 5,000; Louisiana, 12,000; Georgia, 20,000. The amount of Greeley electoral votes so far is 40. St. Louis gives Greeley 2,500 majority. Jefferson City, Kansas City, St. Joe and Sedalia give Grant a majority.

Banks was defeated in Massachusetts and Johnson in Tennessee. Grant is re-elected without a doubt.

By returns received from various parts of the state, clearly indicate that Kansas has gone republican by over 25,000 majority, and it may reach 30,000. Almost every voting precinct shows a republican gain. Our whole state and congressional ticket is elected, and the legislature is overwhelmingly republican in both branches. SEDGWICK COUNTY.

The liberals have in their state estimates invaliably put down Sedgwick county as liberal, or democrat. For our part we hardly dared to entertain an opinion upon the subject, having no data upon which to base a conclusion. Our hope was big and so was our talk. The election fully justifies 478 majority; democratic gain of 106. both. SEDGWICK COUNTY ELECTION

At this writing, (4 o'clock, Wednesday afternoon.) we have such returns from the various precincts in Sedgwick county, as will warrant us in giving Jno. J. No one has come forward to bail them except George Francis Train, whose offer was refused by the prisoners. They look upon themselves as predestinated martyrs. Mrs. Woodhull, in particular, claims that she has known from the first that she must suffer for her concience sake. Challiss, whom they slandered, is fully determined to punish them. He has letters from Mrs. Claffin asking for two hundred dollars, and says that seven months ago she repeatedly demanded money, and sent him a proof of the article, which she democrat, and Lewis, republican, for threatened to publish unless he paid for its suppression. He refused and she now publishes the article. It is understood that several prominent financiers, among them Henry Clews, Rufus Hatch and Jay Gould, will testify to similar attempts at black-mail these women. They obtained considerable money from Vanderbilt some time ago, but he finally refused to give more, and they have since tried to
